“ Mom, I'm going to miss you. I know it's been a few years since I've seen you, but I want to tell you that I am so proud to have known you. I have sat back and thought thru the years.

Thank you for opening your heart and treating me like family. Like Vanessa said, "If we can be like you in a small way or a big way". When I was growing up, you looked out for me; and I thank you for everything. All my love to you.

To the family; I know it's hard to lose her like this now. She is everyone's angel now. Please hang in there; ask God for help; and he will help you thru it.
