“ Ruth Peete was a kind and supportive individual. She always expressed positive remarks when characterizing individuals. She enjoyed delicious and different types of recipes. She enjoyed talking about the love of her life, Jesus, and how she wanted, more than anything else, to please Him. She adored beautiful and different kinds of flowers and when anyone conversed with her on her front porch, they could see her face glowing as she described each one. We offer our deepest sympathy to Cassie and the family. We pray that God will give peace and comfort.

“ Ruth was such a wonderful presence in our neighborhood - always happy to chat on her porch in the summer, sitting on her walker at the corner surveying the neighborhood and calling out greetings to passers by, and never missing the summer block party. She always had a kind word, loved the neighborhood kids, was always positive. She was a cornerstone to our block. Wishing her family peace and sending prayers. -- The Haddix Family

“ To the family you have our deepest sympathy and prayers during this difficult time. Weeping may endure for a night, but joy comes in the morning. The Copeland Family
